A Favourite Handprint Poem

*Sometimes you get discouraged
Because I am so small
And always leaving fingerprints
On furniture and wall.*

*But everyday I'm growing up
And soon I'll be so tall
That all my little handprints
Will be hard to recall.*

*So here is a final handprint
You'll remember with a smile,
At Christmas time (insert the year here)
When I was a little child.*

Christmas Advent Chain

*Christmas Day will soon be here
And I can hardly wait.
I've made this pretty Christmas chain
To help me celebrate.*

*Each day I'll snip one loop from it
To help me to remember
That happy, happy Christmas Day
It's the twenty-fifth of December.*

*Please help me hang my chain up high
And I'll cut one loop each day
And when we reach the silver loop
It will be Christmas Day.*

Instruction: Make a paper chain with 24 coloured loops plus one silver loop at one end (or any other nominated colour).

Start cutting loops off on 1st December.
