

# MEET OUR CPN COMMITTEE

Christian Playgroup Network  
connect • belong • grow

**Say hello to Sally Danger, who joined the CPN Committee at our CPN Annual General Meeting in October 2021.**

Sally's passion is to help people to feel connected to each other and to God by being welcoming, supportive and non-judgemental but encouraging person of faith.

Sally is a big talker and really enjoys leading people as they serve the church. She loves children and youth and seeing families thriving, healing, connecting and growing is important to her.

A great fit for her **current role as the Pastor for Families with Children at Essendon Baptist Community Church**. Sally oversees programs for young people (age 0-21) and their families. Those programs include Little Hands (our playgroup), ROAR (our program for 12-18 year olds), SALT (for young adults) and our Children's Programs on a Sunday.

Sally is married to Lance, and has four children.

Sally is known to support the Essendon Bombers in AFL and she loves to play tennis and netball every week.

**One reason Sally loves Playgroup ministry** is that it is a wonderful mix of serving the church and serving the community. It is a privilege to walk alongside people in one of the most significant and challenging seasons of their lives. It is amazing to be able to have such a lot of fun and to be considered a friend to those that come to playgroup sometimes long after they have left.

**Would like to connect with Sally?**
