

# MEET TIFFANY GILMOUR

Say hello to Tiffany, one of our committee members who joined the CPN Team at the end of 2022.

Tiff is the Community Engagement Coordinator & Interim Worship Coordinator at Ringwood Church of Christ in Melbourne.

## MY PASSION IS

Working out how to follow Jesus in my real every-day life and finding authentic ways of sharing the Good News with people who are not from a faith background.

## A PERFECT DAY WOULD INCLUDE

A cuddle with my kids, a soy chai latte with my hubby, pilates and a prayer walk along the beach with my dog Nessie.

## I'M CURRENTLY READING

*The Ruthless Elimination of Hurry* by John Mark Comer (as well as a few sappy Amish romance novels but I wouldn't admit to that in public)

## FUN FACTS ABOUT ME

- I adore swimming in the sea and can often be found mucking about at Williamstown Beach in all seasons.
- I'm coeliac and love discovering trusted coeliac friendly cafes that I can actually eat at.
- I discovered Jesus at age 40 yrs.

## I LOVE PLAYGROUP MINISTRY BECAUSE

Playgroup is real – it's doing life alongside families at a stage in their lives that can be isolating and challenging. I love simply being a person who listens and shows care. I also love singing, kids and craft and see the value in creating a shared space where community is built, belonging is fostered, and showing God's love is priority.
